Rosevale

Wigginton, York

Welcome to a real home

Welcome to Rosevale, located on the edge of the old 'Saxon' village of Wigginton. Rosevale was known as a Rectory in the 1800's, with accounts in the Archbishop Visitations dating back to 1817 and 1865. The home stands in its own grounds with a secluded garden to the rear, adjoining the village of Haxby, and is within easy access of shops and amenities. The city of York is easily accessible, with York railway station only 6 miles away.

Our Aim

Our aim is to provide individual care in a relaxed and friendly environment. Everyone has the right to live their life in one's own way and therefore our resident's voice is important to us, we listen, we hear and we act upon - basically providing care without compromise.

Activity, fun, friendship and support

Services and Health

Medical attendance is provided by the local General Practitioners; residents can continue with their own doctor should they be moving within the immediate area.

A Chiropodist visits every 4 weeks and a visiting Dentist and Optician provide annual 'check-ups', although additional visits are arranged to suit individual needs. Also on hand is a hairdresser who visits every week.

Activities

Stimulation and relaxation are very important parts of the care we offer. We focus on a balance of individual, one to one and group activities. These include topical discussions based on newspaper readings, music and dancing, arts and crafts, stimulating indoor activity, walking and regular visits to local tourist and historical centres.

Time to relax...

Relaxation

Two lounges and a library are available for those enjoying company or quieter moments, with colour television/DVD, in-house film/music library and large print books. We also have poetry reading, reminiscing discussions on days gone by and classical music sessions. There is a lawned area with patio and surrounding gardens.

The local clergy visits regularly, all religions are welcome and individual requirements are respected.

Home Cooking

We are proud of our home cooking and offer a varied menu of traditional dishes. Special diets are catered for. Details of meal times and menus are displayed in our promotional pack provided in each resident's room.

Character

Accommodation is provided for 42 residents, with en suite rooms. All rooms are tastefully furnished, although residents may, if they wish, personalise their room with their own furniture and possessions.

There is 24 hour room service, tea and coffee making facilities are available on request. All rooms are equipped with TV and Telephone points. A stair lift is provided for easy access to first floor rooms.

...and be active

Visiting

Choosing a Residential Home for oneself or for a family member is never easy. Should you decide to come to Rosevale, whether it be long term or simply a holiday, we hope you will make our home your home. Allow our staff to spoil you with old-fashioned hospitality together with high standards of service, giving you both quality and value. Our staff are on duty at all times to attend to any request you may have. Friends and relatives are very welcome at all times. Why not be our guest and join us for Sunday lunch and sample the friendly atmosphere.

Meetings

Regular meetings with residents and families are carried out throughout the year. This provides residents with the opportunity to air their views and suggestions on day to day living, menu choice, in house activities and outings.

Fees

These vary according to room allocation and the level of service required. Our rates are available on request from the manager's office. We will be pleased to assist with advice on financial matters at any time. Our high standards of care are available to all members of the community, whether publicly or privately funded.
